### FOR THE HAIR.

Glenn's Indian Hair Oil, for promoting the growth and making the hair dark. This elegant preparation has been in general use for the last ten years, and the continued demand for it is an evidence that its good qualities are duly appreciated. The Indian Hair Oil is highly recommended for nourishing and strengthening the hair, and preventing it from falling out or turning grey; giving it strength, and causing it luxuriantly to grow, even on bald places, where the roots of the hair have not been destroyed. It also removes the dandruff, and gives a glassy softness to the locks truly beautiful. It has also the singular property of making light or read hair, whiskers, and eyebrows, several shades darker in color; and being pleasantly perfumed for dressing the hair in general, and for keeping it in curl, it is much esteemed.

Bear's Oil (warranted genuine.) For general use in dressing the hair, and for promoting its growth and beauty, and for preventing baldness, removing the dandruff, and keeping the head clean, it is deservedly esteemed.

This preparation contains no astringent, and may be used with perfect safety by ladies and gentlemen. Whiskers may be dyed with great facility.
